Pleasant High and Middle School Parents and Students:

This letter contains important information for students involved in extracurricular activities next school year. The Pleasant School will once again require Drug Testing for any student in grades 7-12 involved in any extracurricular activities, including driving to school. The cost for this program will be \$35 and must be paid on the day of the drug testing. You may also pay any Pay to Participate Fees (an information sheet about this is also attached) at the time of drug testing. The initial test date will be **Tuesday, August 3, 2021 in the high school cafeteria** following the schedule below. Copies of the Drug Testing Policy and consent forms are also available in the middle school and high school offices as well as the Pleasant School's web site.

Drug Testing Schedule - Tuesday, August 3, 2021

There will be a **parent meeting to review all OHSAA requirements on Thursday, July 29 at 6:00 pm** in the high school gymnasium. **Attendance at this meeting (by at least one parent) is a mandatory requirement by the OHSAA for any student in grades 7-12 participating in any OHSAA sponsored activity.** Please contact the high school office to make alternative arrangements, if neither parent is available to attend the meeting.

Student athletes will also be required to complete a physical before the start of their athletic season. There is a specific physical form required by the Ohio High School Athletic Association, which must be used. There are several items on the form that need to be filled out by the athlete or parent, including a required parent signature. These forms are available in both the middle school and high school offices as well as the Pleasant Local Schools website (www.pleasantlocalschools.org) and the Ohio High School Athletic Association's website (www.ohsaa.org)

Please call either the high school or middle school office with any questions or if you need additional information.
